1. Acknowledgement of risks, dangers, and obligations as a member of the GCMX Club Inc.

I acknowledge that motorcycling is dangerous and that by engaging in the sport and participating at racing meetings I take certain risks and expose myself to dangers and as such I have certain obligations to meet. I also fully understand and acknowledge the following important points:-

- A. That I may be injured or that I may be killed.
- B. That my machinery or other property in my possession may be damaged, lost or destroyed.
- C. That other riders I compete with may ride dangerously to my detriment.
- D. That the racing circuit and the surrounding environment may be hazardous and may vary without warning to my detriment.
- E. That the organisers, officials, land owners, track operators and any other agents or representatives of those persons in charge of the race meeting are often called upon to make quick decisions and that these decisions may unwittingly be to my detriment.
- F. That any insurance policy I have in respect of my health, injury or death, may be voided.
- G. That there may not be adequate facilities for either the treatment, care or transporting of me in the event of an injury being sustained by me.
- H. That I have an obligation to fellow competitors and other participants and spectators at a race meeting to compete as safely as I am able to and to observe the rules of racing.

2. Indemnity given to the organisers.

In consideration of the acceptance of me as a member of the club I agree to indemnify the organizers and each of them in the following manner:-

- A. That I participate in club race meetings at my own risk and responsibility, including practice.
- B. That I accept the track and surrounding environment with all of its defects, hidden or exposed.
- C. That I indemnify and hold harmless, the organisers, their respective servants, agents and officials against any claims which may be made by me or on my behalf or by other parties for or in respect of, or arising out of my death, or injury, or damage caused to me or my machinery, whether caused by negligence, breach of contract or any other matter whatsoever.

DECLARATION :- I the undersigned agree to myself/child/ward/person in my care, competing in club activities and I hereby accept full and complete responsibility for any and all injuries that may be sustained by me/him/her while participating in any sporting event conducted by the club or while attending any meeting arranged by the club. In the event of any injury being sustained by myself/child/ward/person in my care, I hereby give my consent to be rendered any and all first aid considered necessary by any person appointed by the club to carry out these duties. This declaration will absolve the club and its officers, including any and all "first aid officers" from any liability, but it is understood that every effort will be made to ensure that accidents do not occur and this also applies to practice days.

Furthermore, I agree to be available for a roster system to help in the club activities.
